

SENSIBLE WASTE WATER PRACTICE

Never flush down
the toilet:

Given the current circumstances on island where we are all encouraged to practise a stricter regime of hygiene, Connect Saint Helena Ltd wishes to advise all people making use of Septic Tanks and Soakaways (French Drains) across Island to refrain from flushing any foreign objects (baby wipes, paper towels, etc.) down your toilets.

Septic Tanks are not designed for the biological treatment (breaking down) of foreign matter. Releasing of solid / undissolved matter into your Soakaway will inevitably result in blockage of the entire system – which will prevent it from functioning properly and will cost money to put it right.
